

# Around the Garden 'n Plaza

## Street Lighting Petitions Signed

By BOB STEELE  
FAirfax 8-4434

The street lighting petitions are out and by this time everyone should have had an opportunity to sign. The officers of the association are confident that the required 60 per cent will sign.

The block captains are doing a magnificent job obtaining signatures, but they still need some help. If you can spare a few hours to help put this over, please contact Ralph Schmidt at FAirfax 8-4874.

The meeting next Tuesday promises to be an interesting one, so try to attend. It will be held as usual in the cafeteria of the Fern Ave. School at 8 p.m.

It is becoming more and more evident that the Gardens and Plaza Girl Scout Troop is one of the most fortunate troops in Los Angeles County. It is fortunate to have leaders who unselfishly devote so much time to their young charges. The leaders have filled the summer months with such activities as skating parties, day camps, camp-outs, swimming parties, and a host of other activities designed to keep young people on the right path to good citizenship.

Last week 13 girls and four mothers had a wonderful time on a roller skating party and are now looking forward to a swimming party.

### Incident on Maple Ave.

Last Thursday an ice cream peddler was blissfully driving along Maple Ave. with one eye peeled for a possible sale and one ear glued to the amplifier of a squawk box. The melodious strains of "Mary Had a Little Lamb" were interrupted by what appeared to be a prospective customer.

The happy driver dismounted his carriage and proceeded to wardens the automobile from whence he had been summoned. Mentally reviewing his file

vors, and thinking don't forget this week's special, he approached the car and ever so politely said: "Yes, sir, what will it be for you?"

"I will have your money," snarled the occupant of the car as he produced what appeared to be a 40 mm rifle.

The startled salesman reluctantly complied and after watching his money depart in haste he summoned the constabulary. Who has committed this foul deed? Did you see the car? Have the police considered the possibility that it was committed by an irate parent fed up with the sun up 'till sunset parade of ice cream trucks and the like?

The HOASTALAA is making a fine record on the ball diamond at Torrance Park. Last week they shut out a National Supply team in an extra inning game, to win by a score of 4 to 3. The pitching of Ted John and the hero of the game, Rocky Janicek, was all it took to make the opponent say uncle.

If you would like to see them play, be in Torrance Park tomorrow at 8 to watch them add another win to their record.

Mrs. Osterline on Sonoma just called to tell me that the street now known as Corry should be changed to Fertile Ave. It seems that there are now eight new babies within one block.

I'll bet street name-changing isn't the only changing suggested.

## Right-of-Way Snatchers Lead To Many Crashes

Don't argue with a right-of-way snatcher if you want to stay out of accident trouble, was the warning issued this week by the California Highway Patrol.

"One out of every six violations noted in injury and fatal traffic accidents involves at least one driver who violated the right-of-way law," says B. R. Caldwell, Patrol Commissioner. "With nearly six million vehicles registered in California, problems involving the right-of-way appear quite frequently in an average trip."

"Motorists and pedestrians should keep in mind that the California Vehicle Code gives no one the right of way. The law requires certain persons to yield the right-of-way," continued the commissioner. "But, until the other person yields, you have no right-of-way. And, arguing over that right gets about 15,000 persons into accident trouble each year."

"Courtesy, caution and cooperation will go a long way toward settling your right-of-way problems before they have a chance to put you in the injury or death column of this year's statistical report."

### CORN HARVEST

The United States corn harvest is more than one-half the world crop.
